

K-Love radio is the station I listen to each morning as I get ready for work. It inspires me and keeps my faith in Christ strong by having this support. Without this station my spiritual life will suffer greatly. I think it will also hurt the community as I know many people rely on K-Love for spiritual uplift. If this station is displaced by LPFM our community would be wronged. I feel that the service provided by K-Love radio is in the public interest as it supports citizens spiritually in this difficult time that we live. Please do not allow K-Love to be forced off the air because of LPFM.

Sincerely,

Diana Harwood
